**REALTY EXECUTIVES REALTOR JENNIFER DOLLAR WINS  
NATIONAL ASSOCIATION OF REALTORS® '30 UNDER 30'**

**Central Florida REALTOR® Honored for Real Estate Achievements**

**PHOENIX June X, 2010** – [Realty Executives International, Inc.](#) is honored to announce REALTOR® Jennifer Dollar, co-owner of [Realty Executives Seminole](#) and [Realty Executives Central Florida](#), has been named to the National Association of Realtors® (NAR) esteemed “30 Under 30.” Dollar was one of 30 REALTORS® of more than 700 applicants from around the United States selected by NAR.

NAR is America’s largest trade association, representing 1.1 million members involved in all aspects of the residential and commercial real estate industries.

“During a time when real estate brokerages are shrinking, we are growing by investing in programs to elevate our real estate agents’ business through education, powerful lead generation programs, networking and new technology training,” says Dollar. “We operate our business in an entrepreneurial environment which affords our team of productive REALTORS® to do the same.”

Dollar and her business partner, Jeffrey D. Ostlie, acquired one small unaffiliated brokerage and a mid-size Realty Executives office in the past two years and grew them from 18 Executives (real estate agents) to more than 60 total agents within a year. Dollar is the director of operations for both offices, [Realty Executives Seminole](#) and [Realty Executives Central Florida](#), both of which continue to significantly grow in market share in the Central Florida area.

“While most real estate companies got their start in boom times, Jennifer found great opportunities to leverage in the down market,” states Glenn Melton, chief executive officer of Realty Executives International. “Her fresh entrepreneurial perspectives coupled with her business savvy are attributes that serve to advance the future of real estate.”
